HELP MAKE OUR FARM A FORTRESS

All visitors please read the following before entering the fields;

1. To ensure customer safety, **online pre-booking is essential for PYO**. If you do not have a pre-purchased voucher to spend today, we reserve the right to refuse entry into the fields. IF we have the capacity, you will be required to pay £10 entry - in exchange for a redeemable voucher to the same value to spend on site.

2. Please have your confirmation email ready to show one of our team.

3. All visitors **MUST** wash their hands before entering field, using the stations provided.

4. Please be respectful towards other customers and our team - maintaining a safe distance from others throughout your visit. If you are unsure what is a safe distance, refer to the on site signage.

5. Please use the alcohol gel stations provided to keep yourself and others safe whilst moving around our site.

6. Please pick **ALL** fruit that you touch in the field.

7. We recommend taking your fruit home and washing it thoroughly before consuming it.

**PLEASE DO NOT EAT ANY FRUIT IN THE FIELD
THANK YOU. #STAYSAFE**
